

"The Lumos Residence" - RESIDENTIAL luxury complex, which is located in the center of Mahmutlar, 450 km from the sea. This Project was finished in May, 2015.

The Residence consists from 2 blocks: A-block is 13 floors building and B- block, 2 floors building. Totally it has 135 apartments (15 penthouses). Different apartments with one, two, three bedrooms, seaview or mountain view. Tennis court, basketball court, barbecue corner. A feature of the LUMOS Residence project is the spacious terraces available in almost all apartments where you can create your own small garden and spend wonderful evenings there. The cost of apartment includes the cost of high-quality finish, installation of built-in furniture and sanitary ware. By it's possible for the customer to install a set of necessary household appliances: a stove with an extractor hood, dishwasher and washing machine, fridge, microwave oven.

Modern sound and heat insulation and our own solar panels: comfort, energy saving, environmental protection.

All bedrooms have laminate (warmer material than tile or marble), the living room and bathrooms have a built-in floor heating system, which is already included in the price. The apartments are equipped with powerful air conditioning.

Each room has a balcony and a rooftop terrace that all residents can use. In every corner of your home you feel coziness and comfort. On the territory of 1000 square meters Spa, Turkish bath, sauna, fitness, games room, cinema, outdoor-indoor children's play park, indoor pool, outdoor pool with slides.

A barbecue corner that all residents can use. Internet, satellite TV, generator. Auto and bike parking. Security 24 hours a day.
